16 April 2013

To Whom it May Concern:

I, Professor Patrick JD Bouic, the undersigned hereby certify that we were provided samples of the Bioreferment product by Albiofa for testing.

The product was received at room temperature and the testing entailed the culturing of the liquid onto agar plates and subsequent counting of the CFUs. No speciation of the organisms grown was conducted

Results:

The samples provided yielded counts of **20 X 10⁸ CFUs/200 ul** liquid.

Yours sincerely

A handwritten signature in black ink, appearing to be "Patrick Bouic", written over a horizontal line.
